

Questions/answers from vendors regarding the requests for proposals:

- We do not offer drug testing services, just counseling services, can we submit a proposal?

Answer: We are soliciting for treatment/counseling services, not drug testing services.

- Is it mandatory to respond to RFP with proposal?

Answer: No.

- Do you have the RFP's in electronic PDF format?

Answer: They are posted on our website. You may obtain a copy of the RFP from the link provided.

- In Block 10 of the solicitation/offer acceptance form – where do I find amendment numbers for this?

Answer: There are no amendments.

- Because we currently have an agreement with the United States Probation Office, do we have to attach any monitoring reports from past 24 months (attachment B)?

Answer: No, because you currently have a Blanket Purchase Agreement with us, you do not have to submit the monitoring reports requested in attachment B.

- Because we currently have an agreement with United States Probation Office, do we need to attach/submit references?

Answer: No, because you currently have a Blanket Purchase Agreement with us, you do not need to submit references.

- We are in the process of changing the legal name of our organization. The effective date will be 10/1/24. Do you suggest that we complete the proposal using our future new name or should we use our current name?

Answer: Submit your proposal with your current name.
